Asia Pacific's leading conference for iMIS training, learning, industry experts and professional networking opportunities.

"I go to the Discovery Conference every year because it is the one stop shop, all the iMIS gurus are there."

"You will learn in the formal training sessions, learn from the other delegates and learn from the speakers and exhibitors."

"ASI encourages all iMIS organisations to attend the annual Discovery Conference to benefit from the iMIS networking, learning and training."

YOU ASKED. WE DELIVERED.

The number one reason iMIS users around Asia Pacific come to the Discovery Conference is for education. This year's three day conference program has over 40 sessions including 8 hands-on training sessions. You can gain access to unprecedented knowledge from industry experts, partners and ASI.

The largest iMIS Community event in Asia Pacific—don't miss the NiUG Asia Pacific Discovery Conference 16—18 November.

Whether you're in IT, finance, membership, fundraising, reporting or executive this conference cannot be missed!

Conference Sessions and Panels

Set over three days at Rendezvous Melbourne this year's Discovery Conference is like no other. There are more sessions, panels and showcases to give you access to professional development, iMIS experts and tools to take back to your organization.

New topics include SQL and iMIS, Data Analytics, Upgrading iMIS, Engagement Dashboards, new technologies to help your organization. Learn more about iMIS through our core iMIS topics including events, iQA, RiSE, website content management, managing financials and data integrity.

+ TRAINING

Monday will provide you with a choice of hands-on iMIS training including sessions on iMIS Customers, Reporting with iQA, Financials, Building Staff Sites in RiSE and more. Bring your laptop and we'll provide you with access to the latest iMIS environment on the spot.

Network & learn with over 140 iMIS users, sponsors and exhibitors in Melbourne.

+ NETWORKING

Join us on Monday night at the Welcome Reception to catch up with colleagues, meet other delegates while mingling with sponsors and exhibitors.

Hands on iMIS training

The Discovery Conference begins on the Monday offering you up to 8 iMIS training sessions to choose from. Included in your full conference registration you can choose from participating in 2 half day training sessions. You will have get access to your own iMIS 20.2 environment during for the training to work through labs and exercises. Your expert trainers are iMIS consultants from ASI, causeis, CSI, IBC, Lane Services, Millpost and Pseudocode.

Keynote Presenters to challenge your thinking

Tuesday will open with ASI's Senior Director **David Riffle** showcasing iMIS. David will show you the new functionality and opportunities your organization can achieve with iMIS. Wednesday's opening session is set to challenge your thinking. **Dan Devlin**, Membership Strategist will present on Navigating Challenging Times and Positioning for Success. This keynote is not to be missed.
